Give Hope *now!*

Make Your Year-End Gift Today

Your gift transforms lives. With your support, we can continue advancing addiction care and make a lasting impact on both patients and providers.

Your gift helps to...

Encourage Careers in Addiction Medicine

- Fund more Ruth Fox scholars
- Sustain and increase newly established DEI travel awards
- Grow reach and influence of National Addiction Treatment Week

Increase Patient Impact through Evidence

- Fund additional systematic evidence reviews, clinical guideline writing, and open access
- Support guideline translation into requested languages for underserved communities

Develop Law and Policy Initiatives

- Fund development of policies and resources to aid clinicians in navigating legal and regulatory challenges associated with treating patients with substance use disorders with controlled medications
- Support building an advocacy campaign focused on eliminating the Medicare coverage gap for residential substance use disorder services
