Fees subject to change at ASAM's discretion based on complexity of application or other needs in alignment with ACCME standards and guidelines and Joint Accreditation. Fees will be increased pending Joint Accreditation approval in summer of 2023.

Series of activities are not considered a single activity and pricing will be determined based on the complexity of the application. Similarly, enduring education from live content is accredited separately.

The discounted \$500 state chapter fee is only for the state chapter's annual meeting. For pricing for additional courses applied through ASAM's Joint Provider Program, email CME@asam.org.
