Responsibilities/Duties:

- Manage the development and implementation of several federally funded educational activities including developing and monitoring project timelines and tracking progress and milestones.
- Evaluate and monitor program progress and outcomes by collecting, cleaning, analyzing, and interpreting data.
- Collaborate with faculty, partners, planning committees, and internal ASAM staff to support program activities.
- Strategize opportunities for alignment, continuity, and information sharing amongst programs.
- Support Director in expanding portfolio of federal initiatives to include strategizing, grant writing, responding to new inquiries, coordinating with other federally funded programs, and building relationships.
- Oversee faculty recruitment, training, and retention through communications, facilitating planning calls, and coordinating logistics.
- Contribute to program promotional items such as social media posts, newsletters, press releases, and other marketing efforts, as requested.
- Adhere to Continuing Education (CE) and other accreditation guidelines.
- In collaboration with Director, manage program budgets and partner relations.
- Travel (2-4 trips a year) as needed to provide on-site assistance for successful trainings, conference presentations, and/or program dissemination efforts.
- Support special projects, as assigned.

Required Qualifications:

- Bachelor's degree.

- Minimum of three to five years of demonstrated experience managing projects, timelines, and budgets.

Preferred Qualifications:

- Master's degree in public health, social work, health administration, or related field.
- Knowledge and/or experience managing federal (SAMHSA, HRSA, CDC, CMS) cooperative agreements and grants.
- Experience with Learning Management Systems (LMS) or Customer Relationship Management (CRM) databases.

Skills and Abilities:

- Exceptional written and verbal communication skills.
- Excellent organizational skills with a strong attention to detail and accuracy.
- Ability to work independently and as part of a team in a fast-paced environment.
- Proficiency in Microsoft Suite and comfort in learning new online platforms.
- Effective interpersonal skills to interact efficiently and professionally with internal staff and external partners, faculty, and funders.

Salary and Benefits:

Salary: \$65,000 - \$70,000 Commensurate with experience.

Benefits: Robust benefits, including 4 weeks (paid) parental leave, family health, vision, and dental benefits, 401(k) plan match. Flexible remote work arrangements available.
